

Opus 4.5 with Claude Code scores 95% on CORE-Bench Hard

Compared to our previous best scaffold for evaluating CORE-Bench, Claude Code doubles the accuracy of Opus 4.5.

Since the benchmark was close to saturation, we manually scored all tasks solved by Opus 4.5 with Claude Code to spot errors in the benchmark auto-grading. Due to edge cases in the automatic grading, manual validation increased the agent's accuracy by 17 percentage points (shaded bar).
